Tyndale Times

WEEKLY UPDATE

It's been a busy week for the Tyndale Family. As part of UK Parliament Week, the children have been learning about democracy and how they can make their voices heard. Our Pupil Parliament representatives joined pupils from other schools to explore climate change, and we're looking forward to welcoming families to see what the children have been learning. A real highlight for me was welcoming Will Prichard, South Gloucestershire's Head of SEND, to Tyndale to talk about our Specialist Base plans. He was incredibly complimentary about the extraordinary environment we've created for our children. I was proud to hear that feedback because it reflects the care our staff put into making Tyndale a calm, welcoming place where every child feels they belong and can do their best. Thank you, as always, for your support.

LEARNING

It has been a busy week of learning as the whole school celebrated Parliament Week. Classes have been taking part in daily themed activities, exploring how decisions are made and how our voices count. To round off our hard work, we are looking forward to showing parents and carers everything the children have been up to.

SEND SPOTLIGHT

The government has announced plans to improve support for children with Special Educational Needs and Disabilities (SEND). Proposed reforms focus on earlier identification, greater access to specialist professionals, increased staff training and more consistent support across mainstream schools.

These changes will be introduced gradually, with existing statutory entitlements remaining in place. We will continue to monitor national developments and keep families informed.

Parents and carers can find further information on the Government's SEND reform website

CHARACTER SPOTLIGHT

Year 6 have recently completed their playground leader training and it has been fantastic to see the range of games being set up at break and lunchtime! A couple of our Y6 leaders even invited me to join in with their bowling game - it was great fun! I felt very proud of them for working together, showing collaboration and making sure everyone felt included. A great example of being ready, respectful and safe!
