

TYNDALE PRIMARY SCHOOL

PROSPECTUS

We are a proud member of the Greenshaw Learning Trust, a 'family' of like-minded schools that collaborate to provide mutual support, share their good practice and learn from each other, whilst retaining and developing their own distinctive character.

WELCOME

Tyndale Primary School is an exciting, energetic and welcoming primary school.

At Tyndale Primary School we have created a safe and caring learning community, where we aim for children to achieve the very best academic success and progress. This prepares them with all the necessary skills and knowledge to transition confidently to their secondary education, so that our pupils have the best opportunities for their future. We are equally ambitious for all pupils,

working with parents and carers to create an extended family throughout our school and community.

I am proud to be the Headteacher of such a wonderful school and look forward to working with you in the future.

Kirsty Borrill • Headteacher

OUR ETHOS

We are a highly aspirational school where we aim to give pupils at Tyndale Primary a better chance of success than if they attended any other school in the country. This success will be based on children having secure knowledge in the key areas of reading, writing and maths taught within an engaging and creative curriculum.

We expect parents to want the same for their children and to work in close partnership with the school to achieve this.

OUR VALUES

We strive to ensure that children leave Tyndale Primary school as confident, ambitious and high-achieving learners.

We clearly communicate and embed our values which are aspiration, success, pride and nurture so that we can further develop high standards of discipline and self-belief.

We insist pupils wear their uniforms with pride, display exceptional behaviour and attend school on time, ready to learn, every day.

ASPIRATION

At Tyndale Primary School, we want pupils to develop their determination to succeed. We strongly believe that no pupil has the right to disrupt the learning of others.

Teachers will have disruption free classrooms in which they can teach, and pupils will have disruption free classrooms in which they can learn.

We enable all children to aspire to be the best they can be and to develop their skills to learn.

SUCCESS

At Tyndale Primary, we recognise the journey to success may differ for individual pupils and we intervene to remove barriers to achievement.

We set challenging targets using assessment data and support pupils to achieve them by personalising the teaching and learning. In order to inspire and engage our pupils, we show children the wider world through experiences, trips, visitors and through our extensive enrichment opportunities.

WORK HARD
IN SILENCE,
LET **SUCCESS** BE

PRIDE

At Tyndale Primary, we support children so that they are happy in their learning and take pride in their achievements, appearance and behaviour. We are proud of our school community and the children who represent us.

Children have high expectations of themselves and others which is demonstrated through wearing the correct uniform, behaving exceptionally and sharing their success within the community. We expect our children to represent us by being responsible, polite, compassionate and respectful both at school and in their wider lives.

NURTURE

At Tyndale, we place emphasis on the need for everyone to feel safe and happy, all day, every day.

We encourage children to learn both academically and socially as they grow and develop into well-rounded members of the community.

THE WIDER OFFER

At Tyndale Primary School, we recognise the importance of pupils' physical health and well-being.

In order to meet these needs and expose the pupils to a wider range of opportunities, we offer a weekly enrichment afternoon. This is inclusive of sports, music, drama, dance, work in the community and choir.

YOU **CAN'T** LET
YOUR **FAILURES**

YOU HAVE TO LET
YOUR **FAILURES**
TEACH YOU.
