Welcome to the Tyndale Family!

Dear Parents and Carers,

I am delighted to welcome you and your child to **Tyndale Primary School** - and to what we proudly call the *Tyndale Family*.

Starting school is a significant milestone! Team Tyndale are very excited about welcoming you and your child. At Tyndale, everything we do is rooted in a simple belief: **every child deserves an exceptional education in a warm, welcoming environment where they feel safe, valued and inspired to succeed.**

From your child's very first day, they will experience:

- A nurturing and supportive start to school life.
- Highly skilled and caring staff who take the time to know every child.
- Clear routines and high expectations that help children feel secure and thrive.
- A strong focus on early reading, communication and foundational skills..

We are proud of our Reception provision, which has been carefully designed to give children the very best start. Our approach blends structured teaching with purposeful play, ensuring children develop both academically and socially. Just as importantly, we prioritise happiness - because children learn best when they feel safe, settled and excited to come to school.

We also place great importance on building strong relationships with families. You know your child best, and we see this as a partnership. Over the coming weeks, we will share more information about transition arrangements, opportunities to visit the school and how we will support your child to settle in confidently. Your child is joining a school community that is committed to helping them flourish. We are truly looking forward to getting to know you and your child.

Welcome to Team Tyndale - Please take a look at our **website** [here](#) which has a wealth of information and our social media page [here](#) to see what we have recently been up to.

Kind regards,

Mr L Crouch
