

TYNDALE PRIMARY SCHOOL

Report from Katie Parkhouse, for Governing Body meeting on 28th November 2022

Purpose

This report will provide a summary of how the school allocates and monitors its Sport Premium Funding.

Context

All young people should have the opportunity to live healthy and active lives. A positive experience of sport and physical activity at a young age can build a lifetime habit of participation and is central to meeting the government's ambitions for a world-class education system.

The School Sport and Activity Action Plan set out government's commitment to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day, with a recommendation of 30 minutes of this delivered during the school day (in line with the Chief Medical Officers guidelines which recommend an average of at least 60 minutes per day across the week).

The PE and sport premium can help primary schools to achieve this aim, providing primary schools with £320m of government funding to make additional and sustainable improvements to the quality of the PE, physical activity and sport offered through their core budgets. It is allocated directly to schools so they have the flexibility to use it in the way that works best for their pupils. The PE and sport premium survey highlighted the significant impact which PE and Sport has had in many primary schools across England.

In addition, swimming is a national curriculum requirement and schools must publish information on the percentage of pupils in year 6 who met each of the three national curriculum requirements. The three requirements for swimming and water safety are that by the end of key stage 2 pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively, for example, front crawl, backstroke and breaststroke
- perform a safe self-rescue in different water-based situations

Recommendations to Governing Body

The Governing Body is recommended to agree the proposed report as set in the appendix.

**Appendix**

Funding Overview 2022-23	
Total amount allocated for this academic year 2021/22	£17,640.00
Total amount carried over from previous academic year 2020/21	£0
Total amount allocated of funding for this academic year	£17, 640.00

Swimming data	% of pupils
Meeting national curriculum requirements for swimming and water safety.	
Percentage of your current Year 6 cohort who can swim competently, confidently and proficiently over a distance of at least 25 metres?	11.5%
Percentage of current Year 6 cohort who can use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	19.2%
Percentage of current Year 6 cohort who can perform safe self-rescue in different water-based situations?	19.2%

Action Plan

Capture your intended annual spend against the 5 key indicators.

- Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school
- Key indicator 2: The profile of Physical Education, School Sport and Physical Activity (PESSPA) being raised across the school as a tool for whole school improvement
- Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Key indicator 4: Broader experience of a range of sports and activities offered to all pupils
- Key indicator 5: Increased participation in competitive sport

PART ONE: PREVIOUS YEAR SPEND - Year 2021/22

Income

School:	Tyndale Primary School
Total amount of allocated funding 2020-21	£17, 640.00

Spending for Previous Academic Year 2021-22

Activity	Cost	Key Indicator (s)	Intent	Impact
Implement Maths on the Move (MOTM) a programme aligned with the national curriculum	£4,250	2, 4	Enhances children's confidence and attainment in maths. Embedding physical activity into the school day.	This links closely to maths programme. This had high impact on some specific children but need to review its implementation to have a wider impact.
Hiring qualified sports coaches to work with teachers	£3,900	3, 4	We have a high proportion of early career framework teachers and this will improve the quality of teaching in order to make lessons more inclusive and increase pupil progress. Teachers and TAs to work closely alongside Sports Coach to improve practice.	Two ECTs received direct input. This supported work on their understanding of the teaching of games for understanding and how to apply tactics and strategies

TWPS-GB-28-10-22-Sport Premium Funding Report

			Specialist coaches will also be utilised to work alongside our own staff to aid staff development.	
Provide staff with resources to help them teach PE and sport more effectively, and embed physical activity across the school	£1,200	1, 4, 5	The aim is to improve the quality of teaching in order to make lessons more inclusive, increase pupil progress and increase the number of children working above expected standard.	Sports resources have been replaced and the newly appointed Sports leader has taken on the responsibility of this ordering and upkeep
School swimming	£900	1, 3	Pupils are able to swim at least 25m by the end of KS2.	The swimming curriculum was fulfilled
Outdoor play based activities through Pride in Play	£4640	1, 4	Provide children with the opportunity to develop their social skills in an engaging and supportive environment.	This money was re-allocated to the sports coaching programme and sports resources
Leadership roles that support sport and other physical activity	£250	1, 4, 5	Children are recognised and rewarded by sporting and active achievements and participation	This facilitated the sports ambassadors, the resources for this and covering the costs of training them
Provide a wide range of extra-curricular sporting and non-sporting opportunities for all pupils.	£1,000	1, 4, 5	Equipment provided for new opportunities seasonally, including outdoor and non-traditional sports. Clubs run sports coaches and teaching staff .	Higher uptake of sports clubs ensuring that more children are active. Was recognised that these clubs supported pupil social skills and vocabulary development and need to be invested in further next year.
Provide opportunities to try new sports and activities, particularly outdoor and adventurous activities.	£1,500	1,4	The Sports Premium will be used to support Year 5 and 6 who wish to go on their residential trip to take part in outdoor activities.	There was a high uptake of this opportunity. The school recognises its impact on levelling out opportunities for disadvantaged pupils
