Headship Team Update

What a fantastic start to the term we have had! Thank you to everybody that attended our KS2 Sports Day yesterday afternoon. It was so lovely to see our amazing children, parents, and staff having lots of fun completing their sports day activities. We are really looking forward to future parent/carer and community events. If you have any suggestions or ideas, we would love your input!

We hope you enjoyed discussing your child's new class teacher with them this week. Our teachers are very excited to meet their new classes in the upcoming 'Move Up' days where they

will get to know each other and take a look around their new classrooms.

It was lovely to welcome our local PCSOs into our Celebration Assembly last Friday where they introduced themselves and enjoyed the celebratory fun. You may see our PCSOs around the school site so do say 'hello' and welcome them into our Tyndale Family. They are going to be supporting our children with keeping themselves safe, including 'How to stay safe online' with years five and six.

As we still have high temperatures over the coming days, please remember to keep applying sunscreen on your child and sending them to school with a water bottle and hat. 

We have lots of exciting events happening throughout this term. Please take a close look at our Dates for your diary section so you don't miss anything.

Important News

Upcoming Events

Please keep a close eye on the Dates for Your Diary. We have lots of excited events over the next two weeks.

School Holiday Activities and Food Programme - South Gloucestershire Council

South Gloucestershire are offering holiday activities and food clubs for children aged 5 to 16 years who live in South Gloucestershire. This programme aims to provide healthy food and enriching activities during the school holidays to children who are aged between 5 to 16 years old and receive benefits-related free school meals. Eligible children can access fully funded places for 4 hours per day, 4 days per week

. Please [click here for more information and to book now](#).

South Gloucestershire Parents and Carers

South Glos parents and carers run lots of workshops and events - please follow this link to find out more! There are workshops on autism, distressed behaviour, ADHD, parenting and so much more <https://sgpc.org.uk/events-workshops>

CLASS UPDATES

RECEPTION

Reception had their first school trip last week and they were utterly AMAZING. Well done Reception on being so wonderfully safe and well behaved on your first trip. All things summer, animals, growing and recycling has been Reception's main focus so far this term. They have reused plastic bottles to make an 'odd fish' just like their story, they have been monitoring the changes in their brand new class caterpillars and they have even been tasting new fruits that we enjoy in the summertime! In maths they have been recapping all things numbers: odds and evens, doubles.

YEAR 1

This week has been another busy and fun filled week of learning in Year 1! The children have been innovating part of the class text 'The Way Back Home'. They have been very creative with their choice of vehicle as well as using fantastic adjectives to describe them. In Maths they have started looking at position and direction and using this language to give directions to each other. In their theme lessons they have continued to learn about the United Kingdom, countries and capital cities. Keep up the hard work Year 1, I couldn't be prouder!

YEAR 2

What a busy week of amazing learning for Year 2! They had lots of outside learning experiences where they practised their sketching techniques whilst making close observations of nature. In English, they have been writing a letter of complaint to the captain of a pirate ship using previous knowledge of writing in the first person, conjunctions, questions and exclamations. In Maths, they have worked really hard to master multiplication, division and time.

YEAR 3

What a week for year 3! In maths they have completed their shapes unit and should now be able to tell you all of the different names for 1-10 sided shapes! Also, they started their week by going on a trip to the library. This included lots of fun activities in different workshops and they also got to take some awesome books home with their new library cards! You all demonstrated ready, respectful and safe the whole time, as such, you not only made Tyndale and myself proud, you made yourselves proud. Well done.

YEAR 4

Year 4 have had a busy week of learning. In maths they have been looking at different types of charts, answering problem solving and reasoning questions. They have been practising ready for sports day, using teamwork, resilience and perseverance. In English, they have been exploring Roman villas and using various language features in their writing. Well done Year 4!

YEAR 5

Year 5 have been working hard this week. In maths they have been looking at converting units from kilograms to grams. In English we have started reading a new book 'Race to the Frozen North' and they have been so engaged. They have enjoyed practising for sports day in the warm weather and can't wait to take part this week. Year 5 have been very mature in our learning for life lessons and are using the correct scientific words in their discussions. Well done!

YEAR 6

Year 6 have had a very busy fortnight! They have worked amazingly as a team to rehearse their production, including giving each other compliments and constructive criticism. Year 6 also had a great couple of days designing, creating and evaluating moving toys. They should be so proud of themselves for the resilience, ambition and collaboration they have shown!

Staff Shout Out

Ms Matthews (HLTA)

For always supporting our children and going above and beyond to make sure they are always Ready, Respectful and Safe, and for being flexible with supporting children in different classes. Thank you for everything you do for our Tyndale Family!

THANK YOU!

Staff Fun Fact

This fortnight's fun fact is about Ms Lett (Year 5 Teacher).

I have an 11 month old Husky called Loki and I love taking him for long walks everyday

THIS FORTNIGHT IN PICTURES

We've had another fantastic fortnight!

Here are some snapshots to show some of the varied learning experiences...

Friday 23rd June 2023

SPORTS DAY

Thank you to everybody that attended the KS2 Sports Day. We had a fantastic time participating in the events together with a range of child, parent/carer, and teacher races.

We are looking forward to our KS1 Sports Day next week.

Friday 23rd June 2023

NEW

We're teaching every child to read with

EYFS, Year 1, and Year 2

Lovely new digital books!

We now have a subscription for all Reception, Year 1 and Year 2 children to access our **Little Wandle Phonics reading scheme** at home on your devices. Coming home this week will be your child's username and password as well as instructions of how to access your child's reading book.

We know that practice makes permanent. Reading with your child at home makes a huge difference!

Collins ebooks

These lovely new books are matched to your child's own level of reading and they should be able to read it several times fluently (without struggling). They will normally have one or two books for the week.

Your child will continue to bring home a phonics reading book.

We will run an optional parent workshop on **THURSDAY 15TH JUNE** in the KS1 Hall straight after drop off (around 08:40) if you would like to see it in action.

BIKE TO THE PARK!

FAMILY BIKE RIDES EACH MONTH
2PM-4PM

3RD JUNE

1ST JULY

5TH AUGUST

Meet At The end of South Walk, Yate Shopping Centre for a gentle and fun, all ages inclusive ride to Lilliput (June), Howard Lewis (July) and Millside (Aug) parks. Once we arrive at the park, the children will have time to play and if there is space available we will set up some bike-skill games to join in.

ALL CHILDREN MUST BE ACCOMPANIED BY AN ADULT

Holiday Clubs

Amazing multi-activity club experiences for every child!

Ensure your child experiences a holiday club like no other with JAG! Our jam-packed daily schedule uniquely caters for each child's talents and interests, forging unforgettable memories in an amazing holiday experience!

- ✓ Something for every child, with a wide range of fun-filled activities
- ✓ All activities delivered by expert play leaders in a safe, fun environment
- ✓ Confidence-building by learning new skills and trying new things under expert guidance
- ✓ Positive interactions that nurture friendship and social awareness
- ✓ Enhanced wellbeing through a focus on happiness, mindfulness, kindness and being active

Building Brighter Futures Together!

Children love our holiday clubs, because the diverse experiences we offer are so much fun. With a brilliant mix of sports, energising activities that get children moving, creative sessions that bring out their inner inventor and much more, our expert teams ensure an inclusive and fun environment that delivers an important role for every child in every session.

Our Whole of Child Programme

We design all our activity programmes to prepare children for the future, nurturing vital life skills in each and every one of them in a way that taps in to their unique skills and interests. With fun activities spanning seven core categories, it's easy to see why children's time at JAG is always their favourite time!
