

Privacy Notice for Visitors

Under data protection law, individuals have a right to be informed about how a data controller uses any personal data that held about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

Following Brexit, Regulation (EU) 2016/679, General Data Protection Regulation (GDPR) is retained EU law and known as UK GDPR. The UK GDPR sits alongside an amended version of the Data Protection Act 2018 that relate to general personal data processing, powers of the Information Commissioner and sanctions and enforcement. The GDPR as it continues to apply in the EU is known as EU GDPR.

This privacy notice explains how we collect, store and use personal data **for occasional and professional visitors, to the school who are required to sign in using the school's visitors' system.**

Parents/Carers visiting the school to drop off their child in the morning or collect their child at the end of the day, or who come to the school office to collect their child during the school day, or make enquiries, are not classed as visitors and are covered under the Parents / Carers Privacy Notice.
